

Innovation Fund of Montenegro

PROOF OF INNOVATIVE CONCEPT PROGRAM for MSMEs(PoC)

BIOGRAPHY TEMPLATE

member of the project team

1. Name and surname

Mihailo Vukmirović

2. Education (enter the year of enrolment and completion of each degree in reverse chronological order)

a. Degree, faculty/department, area, year

PhD at University of East Sarajevo, East Sarajevo, Bosni and Herzegovina, 2018.

PhD at Montenegro University School of Medicine, Podgorica, Montenegro, 2017.

Specialist of cardiology at Belgrade University School of Medicine, Belgrade, Serbia, 2010.

Specialist of Internal medicine at Belgrade University School of Medicine, Belgrade, Serbia, 2006.

MSc at Kragujevac University School of Medicine, Kragujevac, Serbia, 2006.

MD at Priština University School of Medicine 2000, Priština, FR Yugoslavia.

3. Work experience (in reverse chronological order)

Head of Department of Cardiac Pacing and Electrophysiology Clinical Center of Montenegro, Podgorica, July 2015-now

Assistant Professor of Physiology at University School Of Medicine at Podgorica, September 2020-now

Cardiologist at the Clinical Center of Montenegro, 2010-now

4. Professional, scientific, academic experience and achievements

a. Projects in which you participate or have participated

Member of EHRA work group of 2018 ESC Guidelines for the diagnosis and management of Syncope

Member of EHRA work group of 2021 ESC Guidelines for the Cardiac Pacing and Cardiac Resynchronization Therapy

Member of EHRA work group of 2022 ESC Guidelines on cardiovascular assessment and management of patients undergoing non-cardiac surgery

ESC Guidelines for the diagnosis and management of Syncope

Member of the Interreg IPA CBC Italy-Albania-Montenegro Telemedicine investigate program group

b. Scientific/professional awards received so far (if applicable)

/

c. Memberships in scientific and professional associations (if applicable)

Member of Montenegro Society of Cardiology

Member of Serbian Society of Cardiology

Member of ESC (European Society of Cardiology)

Member of EHRA (European Heart Rhythm Association)

President of Montenegrin Society of Atrial Fibrillation

President of Montenegrin Society of Sports Cardiology

d. Entrepreneurial successes, innovation activities, granted patents

Participant in the project "Development, validation and application of the telemedicine system (TELEMONTEKG) test for rapid detection of heart diseases in Montenegro, 2015

e. Professional training and stay at international institutions (if applicable)

Basic electrophysiology training in Dedinje Cardiovascular Institute, Belgrade, Serbia, November 2007 - January 2009, July – November 2009,

Pacemaker training in Pacemaker Centre, Clinical Centre of Serbia, Belgrade, Serbia, January - July 2009,

"ICD essential" training in Medtronic Academia Centre, Tolochenaz, Switzerland, October 2010,

CRT hands-on simulator training Salzburg Landeskliniken, November 2012,

"How to Approach Complex Arrhythmias" European Board for Accreditation in Cardiology (EBAC) Course, Berlin, Germany, May 2012,

Electrophysiology training in Department of Cardiology, Odessa Regional Hospital, Odessa, Ukraine, February 2012,

"Overcoming Challenges in ICD Follow up" training in Medtronic Academia Centre, Tolochenaz, Switzerland, October 3-4, 2012,

Interventional EP Curriculum SVT Module The Prague Approach, IKEM, Prague, Czech Republic, August 29-30, 2012,

Electrophysiology training in Department of Cardiology in Institute for Clinical and Experimental Medicine (IKEM), Prague, Czech Republic, November 12-24, 2012,

Physicians' CRT Workshop "Working together", Semmelweis University, Heart Center Budapest Hungary, January 14-17, 2013,

"CRT Follow-Up Clinic", training in Medtronic Academia Centre, Tolochenaz, Switzerland, March 13-14, 2013,

Introductory course for transseptal puncture and hands-on simulator training, Zagreb, Croatia, May 10, 2013,

Villa Maria Group EP Workshop, organized by Prof. Carlo Pappone, Villa Maria Cecilia Hospital, Cotignola Italy, May 22-23, 2013,

Fellowship training at IKEM, Prague, Czech Republic, August 1- September 30, 2013,

Awarded EHRA Fellowship Grant of Clinical Electrophysiology with emphasis on catheter ablation for 2014 at IKEM, Prague, Czech Republic,

Education of clinical electrophysiology with complex catheter ablation complex cardiac arrhythmias at IKEM, Prague, Czech Republic, March 2015-January 2017,

Monaco USA Arrhythmia Course 2016, Princess Grace Hospital Centre, Monte Carlo, March 2016,

International Workshop on Supraventricular Arrhythmias Interactive Workshop at Erasmus Medical Center, Rotterdam, April 2017,

"New to Left", Crio ablation training in Medtronic Academia Centre, Tolochenaz, Switzerland, November, 2019,

Crio ablation of atrial fibrillation training at CardioVascular Center Bethanien (CCB), Frankfurt, Germany, December, 2019, November 2021, April 2022

Crio ablation of atrial fibrillation training at Clinique Pasteur, Toulouse, France, December, 2021,

Interventional EP Curriculum 1000 Alumni and Beyond, Madrid, Spain, September 2022,

Micra Implanter Training Program, Medtronic HQ, Tolochenaz, Switzerland, October 2022,

Micra Implanter Training Program, Medtronic HQ, Lead in - Lead out (LI-LO) simpozijum, Beograd Jun 2023,

IEPC Atrial Fibrillation Module, Abbott Advanced Technology Center (ATC), Brussels, Belgium May 2023,

Crio atrial fibrillation training, KBC Dubrava Zagreb, Jun 2023,

IEPC Atrial Fibrillation Module, Herz und Diabeteszentrum NWR Bad Oeynhausen, Germany
November 2023,

CRM – CAS & CDS Expert Summit, Dubai January 2024,

IEPC Atrial Fibrillation Module, Abbott Advanced Technology Center (ATC), Oxford March
2024,

IEPC Atrial Fibrillation Module, John Radcliffe Hospital, Oxford February 2024,

IEPC Atrial Fibrillation Module, Asklepios Klinik St.Georg, Hamburg June 2024,

Pulse field atrial fibrillation training, KBC Dubrava Zagreb, June 2024,

f. Other professional achievements (if applicable)
