Content

- Why wearables?
- MECOnet approach and products
- Conclusion

Why wearables?

- Diversity

A MUCH More Diversified Market Than Investors Realize

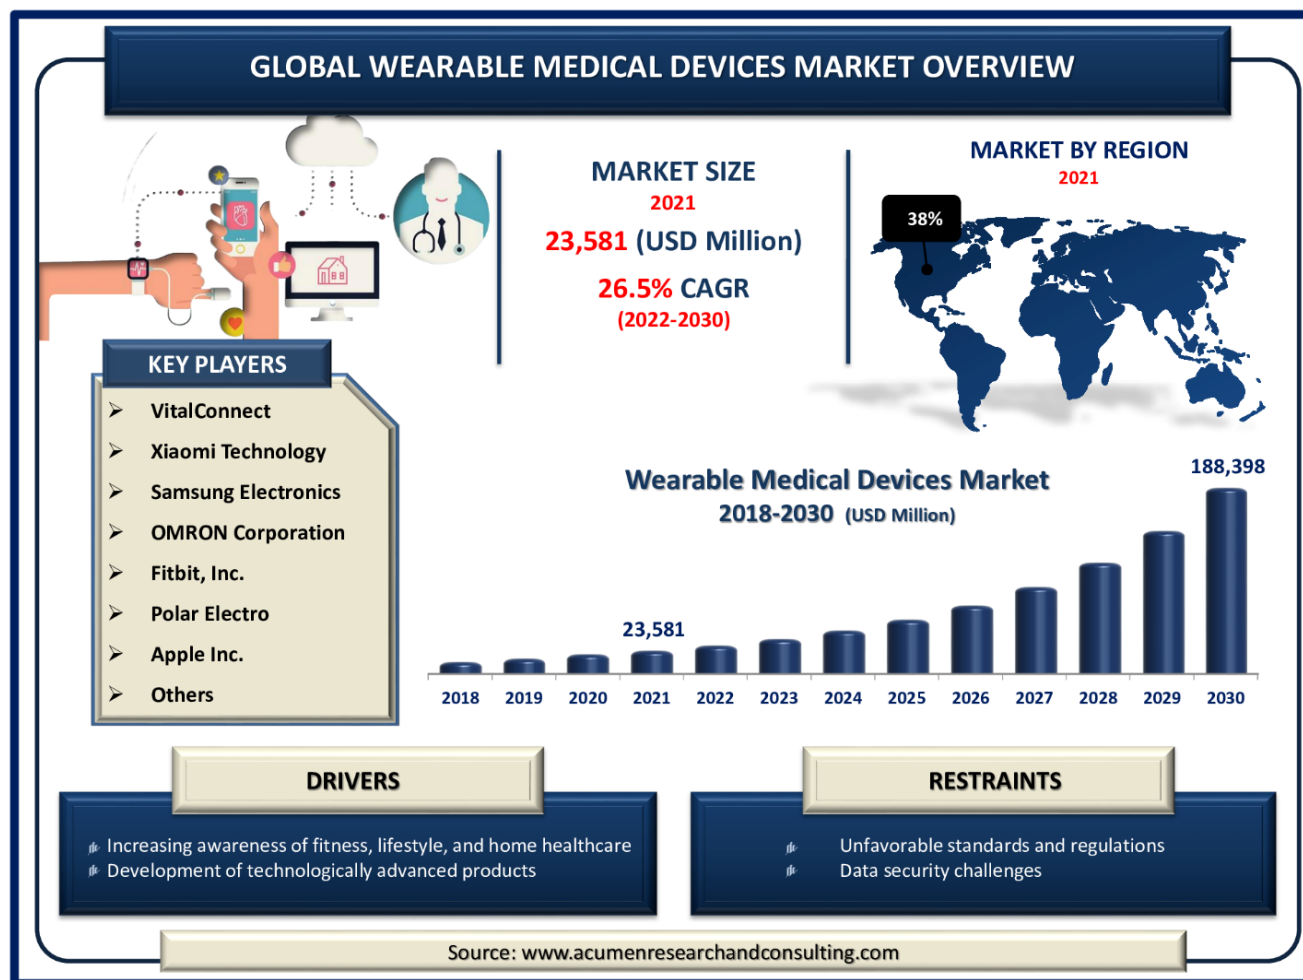

CREDIT SUISSE

Examples of Wearable Devices We Work With

Why wearables?

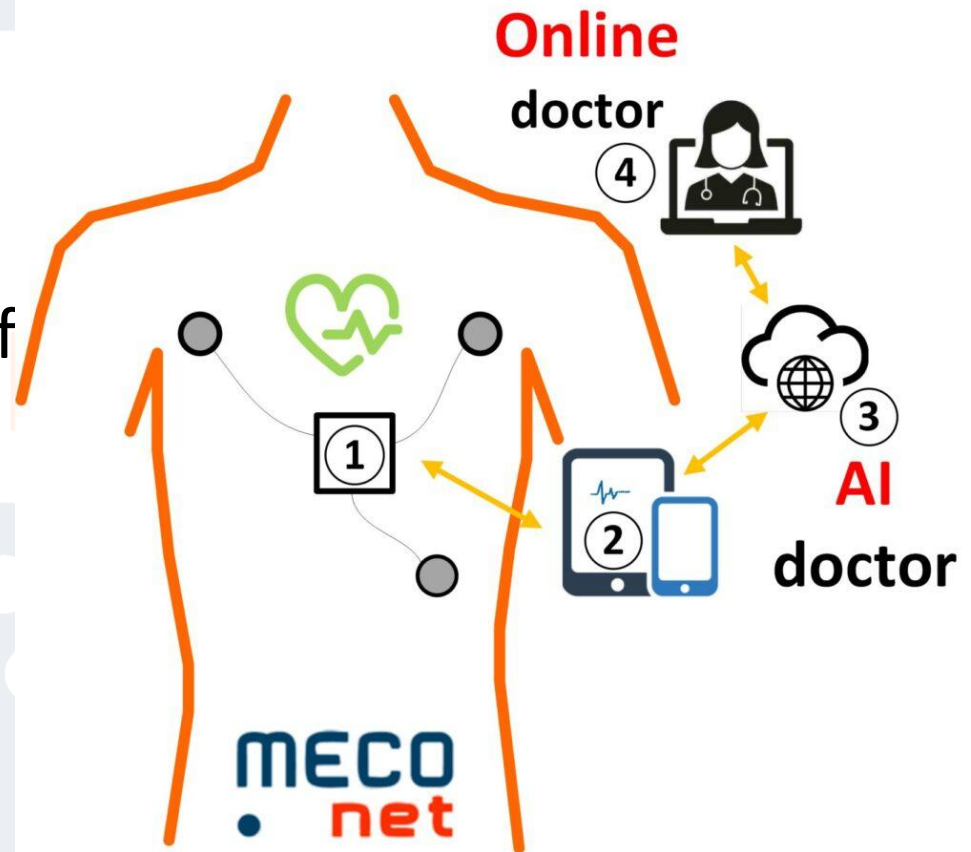

Why wearables?

- Imaging possibilities

MECOnet approach, latest

- (1) Device and sensors
- (2) Gateway, Edge, APP
- (3) Cloud
- (4) Remote medical staff

MECOnet approach, latest

- APC - Gateway Cloud (AI) - telemedicine server

APC = Autonomy Point of Care Gateway = Mobile gadget + APP

MECOnet approach, latest

MECOnet approach, latest

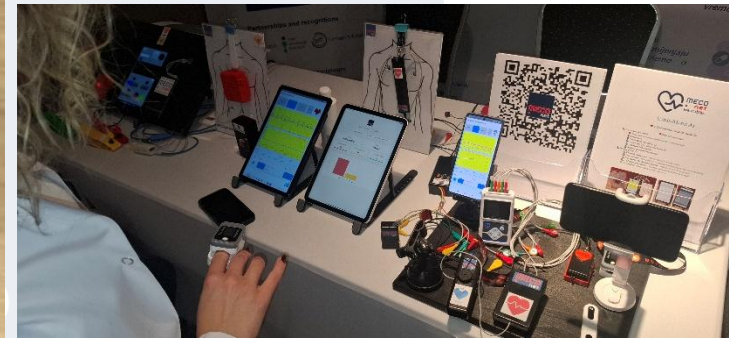

MECOnet approach, our start

- Syntrofos, Covid

MECOnet approach, start

- Testing via education and dissemination

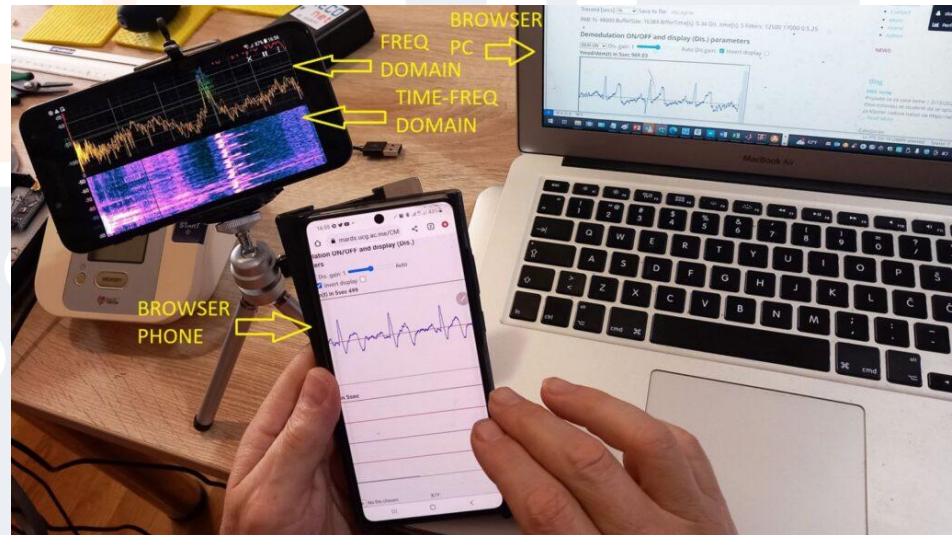

MECOnet approach, research

- Advanced research, true BP measurement

MECOnet approach, research

- Whispering heart, Medical data over sound

Conclusions

- We are doing different way
- Not tourism, agriculture, no formal education, no real estates, no projects because of projects, no papers because of papers.
- We are introducing new technologies
- Because we think our people are able to do it
- Our way is up!!!
